"Together, we have something special"SM

Kern Schools Federal Credit Union has a proud and long-standing tradition of participating in the educational lives of Kern County's youth. From classroom presentations to sponsorships and donations to community partnerships, Kern Schools has been at the forefront of helping students throughout our area achieve a higher standard of education and commitment to our region. As such, it is the goal of Kern Schools to contribute to and participate in programs and events dedicated to student education, academic improvement, and financial literacy. Kern Schools will not make contributions, donations, or in-kind support to sponsor political or partisan organizations or religious groups, unless the event or activity is consistent with our philosophy and/or objectives.

Please note, Kern Schools only considers requests consistent with our mission and objectives and reserves the right to deny for any reason (or no reason at all) any and all requests regardless of whether or not guidelines are met.
